1 Corinthians 9:19-22

Though I am free and belong to no one, I
have made myself a slave to everyone, to
win as many as possible. To the Jews I
became like a Jew. To the Romans I
became like one under the law (though I
myself am not under the law), so as to win
those under the law

1 Corinthians 9:19-22

. To those not having the law I became like one not having the law (though I am not free from God's Law but am under Christ's law”, so as to win those not having the law.

To the weak I became weak, to win the weak. I have become all things to all people so that by all possible means I might save some.
